

Our Class Promises

Here at Duchess Nursery – Parsons' Green we embed British Values into our nursery life. The Fundamental British Values are democracy, rule of law, individual liberty, mutual respect and tolerance. One way we embed these is through our class promises.

As a team we decided on our six class promises. These are “I will try to remember to...”

- Tidy up
- Use listening ears
- Use an inside voice
- Use walking feet
- Be kind to others
- Share and take turns

These promises are promoted throughout the nursery. The promises are encouraged from the youngest to the oldest children. Once possible the babies are encouraged to pick up their toys at tidy up time. Our oldest children are encouraged to follow all the promises and encourage others to do so as well. We believe this will help them grow into children with value and are able to have respect for others
