

## COVID-19 Addendum March 30<sup>th</sup>, 2020

'This Addendum should be read in conjunction with the current Safeguarding Policy'

In these unprecedented times we are all aware of the need for additional needs for our safeguarding procedures; we continue to abide by our current policy but are acutely aware of a need for ensuring stringent online safety for our children and support for parents to have full understanding of the safety levels required.

The whole community will continue to abide by the acceptable use of online materials outlined in our E-Safety Policy, IT User Policy and our Social Media Policy

Support should be issued to parents such as National Online Safety posters and links to offer guidance as well as ensure the parent body know who to contact if they are concerned e.g. the Designated Safeguarding Lead.
